In biblical terms, what is bearing fruit? Bearing fruit as a believer is our outward actions that come from the heart to influence and produce good fruit in others. This result only is possible by the Holy Spirit that dwells within the believer.

In contrast, there is flesh fruit. This fruit is a result of human ideas without the Holy Spirit that comes by carnal means to influence and produce in other people.

Our demeanor is the focal point for the Holy Spirit to work within us to accomplish the will of God. The time we spend with God, such as reading His Word, prayer, praise, and worship, will determine our fruit. Our Father is love. Righteousness is the nature of God. If we follow these two principles, then the Father, the Son, and Holy Spirit, which is the three in One, will operate in us and produce good fruit.

**Dear Lord Jesus, help me to follow your way to love and care for others to help them to know you, Thank you Lord. Amen**
