Lies-----Revelation 22:15

The devil. A fallen angel that left heaven to wreak havoc on believers or any who dare to serve God. The six things these demons try to do against believers or potential converts are to deceive (Revelation 12:9), distraction (1 Corinthians 7:35), danger (Ephesians 4:27), darkness (Ephesians 6:12), destruction (Philippians 3:19), and death (1 Corinthians 15:56).

The activities begin with the devil on the watch. These evil spirits will use the eyes of the unbelievers, backsliders, those who rebel, and those who sin and do not repent, to monitor the new converts and believers.

The devil will use the voice of those particular people to fabricate a situation with the people of God to tempt them to sin. The other method the devil uses against believers is idolatry.

The first three commandments in the bible are about idols and not to worship or serve them. The other misconception that some people do not understand is the things of this world may be an idol too. The time a believer spends on someone or something that captures the heart above God is an idol. These devices the devil uses should caution believers to be careful.

The ultimate purpose of the devil is to disconnect people from God. The character of the devil is a deceiver and wants to get all human beings, including believers, to deceive others too!!!!
