

No Growth - Fear

but of power, and of love, and of a sound mind.**

What is the fear? Fear is a spirit that is capable of presenting itself through the mind. How does fear enter our minds? Fear may enter by sight, sound, feeling, taste, or smell.

Fear comes to challenge everyone through our senses. Out of the five, which one fear is most common to attack? The eyes. The vision is what causes most people to be afraid of certain things.

For example, as a resident, we receive a bill in the mail that is due for payment and might be a financial strain. The due date is vastly approaching, and the fear of dealing with the bill becomes a problem. What are we going to do? What is the company we owe going to do? All of this thinking makes things uneasy.

Fear is a spirit that will cause people to create conflict with family, friends, and even strangers. This area is where children of God need to use the Word of God to help overcome this obstacle. Believers need to believe the scriptures they quote and act upon it. Our own carnal words will cause confrontation and lead to more unnecessary drama. We, as believers, will undergo adversity in this life. God will always be with us, no matter how things may seem. As long as we have repented heart and live in righteousness, God will see us through. When we trust Him to help us do that, we will overcome fear.

Prayer: Dear God. Help me not to be afraid of any circumstances that come my way. Thank you God.
