Omnipresent----Jeremiah 23:23-24

Durable-----Proverbs 8:18, Isaiah 40:28

God is the living deity that created the beginning of everything. The things we see, the things we hear, the things we smell, the things we touch all came from Him. God created man from the ground to become a living soul.

How much do we know of God? God is the supreme spirit being, and no one knows His beginning or age. Most of us are aware of Him as a creator of creation and what He can do. However, few of us know about God's features. The Word of God declares He is light. Bright countenance like the sun that no human can look in His face and live. God's eyes are like flames of fire. His head is white, and the hair white as wool. God's feet are like fine brass. The voice like the sound of waterfalls. These characteristics indicate that God is overwhelming.

What about the feelings of God? The Word of God informs us He is a Father who loves His children and gave His only Son. God is a jealous God that does not tolerate sin and contaminate with darkness. Therefore God is a just judge who opposes evil with anger and rebukes the powers of darkness with fury.

God is all-powerful, all-knowing, and is everywhere. He longs for His people to honor Him. Spend time with Him daily through His Holy Word, praise, and worship Him in spirit and truth.

God is compassionate and desires to take His people home forever.

Prayer: Father God, help me to spend the time to get to know you. Thank you God.
