Who is the Holy Spirit? The Holy Spirit is the third person within the trinity. Similar to an actual person still yet a spirit being, He acts as He chooses.

The Holy Spirit is the author of the scriptures that we read in the Word of God. He sanctifies the believer and assures salvation provided through the Son of God.

The Holy Spirit is connected with the believer's spirit as long as they live by the holy scriptures. To receive the benefits from the Spirit of God, the believer must not be hasty. No one knows when He decides to minister because He is His person.

The Holy Spirit does not force Himself upon believers. He is Holy and is available to help the souls of many who honor and appreciate Him.

The Holy Spirit is all-powerful. He empowers the Son of God and believers. The Holy Spirit bestows gifts and brings blessing to the people of God. He inspires the Prophets, Pastors, and other Ministers of Christ who speak the Word of God to the millions of people around the world.

The Holy Spirit, who is Holy and righteous, can be insulted through apostasy.

The Holy Spirit is a third person that has feelings similar to a human being. However, the difference between Him and man is the light of God while we are born in sin and darkness.

Prayer: Holy Spirit, you are welcome in this place. Thank you God. Amen.
