

Inner Growth - Word of God 2

And he was clothed with a vesture dipped in blood: and his name is called The Word of God.

Revelation 19:13

Life in the Word of God is to live by and in. To read the Word of God from the Holy Bible is to live by it. To spend time in the Word of God via study is to live in it. The Word of God is similar to a road map. The more we read and study, the more we will follow the directions that will lead us to know God. This lifestyle will aid in our relationship with God, family, education, occupation, and social environment. Daily read and study from the Word of God will help in life challenges, difficult circumstances, and other problems that may occur at any time.

There are several important steps for the Word of God that will help in the life of a believer.

1 The written word-----John 1: 1, 1:14

2 Read the word-----1 Peter 1:25, James 1:22

3 Believe the word-----Psalms 119:114, 130:5

4 Receive the word-----John 8:47, 1 Peter 2:2, 1 John 2:5

5 Spoken word-----1 Corinthians 14:36, 1 Thessalonians 1:8

6 Living word-----John 14:23, Psalms 119:105, 133

7 Manifest word-----John 15:7, 1 John 2

How many believers have time for the Word of God daily? How can we truly build our relationship with God if we have no study time for Him? For any relationship to grow, let us examine friends, partnership, and marriage. Friendship is steps one to four: you meet and greet someone and have a conversation. Then eventually develop over time. Partners are more than friends. They must have trust to build whatever they are attempting to achieve together. Marriage is all the steps one to seven: more than friends and lifetime partners by law until the end.

Prayer: Merciful God, help me to enjoy your word and absorb what you have to say. Thank you God.
