Dreams that come in while we sleep form in one of two ways: either they occur due to the routine of errands we encounter or the life we completed in the past.

Naturally, our bodies sleep when we need to rest. However, spiritually the real person inside of you is interacting in the spiritual realm. Just like Nebuchadnezzar in the holy scriptures, dreams at times will make us feel troubled. This disturbance may physically awake us from our sleep.

The real you, which is your spirit, interacting, visually now expose to the outer spirits that are in the spiritual realm. The Spirit of God or the spirit of the enemy are seeking to interact with you. Both of them are seeking to establish covenants to give them the right to operate in your life. The Spirit of God brings good dreams to bless people, especially believers (to let them know what lies ahead). The spirit of darkness (the devil) tries to give us past dreams that take us backward.

The dreams in the past are history. This part of our life is complete. Therefore, why do we replay these experiences while we sleep? These dreams are either a spirit of setback, a spirit of delay, or the spirit of confusion. These spirits (which are not from God) are trying to hinder our progress or advancement. No one knows how or when these dreams will show up within our rest period. However, they may enter our sleep through ungodly activities that reflect our choices of that day. Remember good, is God, evil is of the devil. The decision is ours to prosper.

For believers, we need to take authority against negative dreams. Let our minds indulge in good things that are of God to block out the plans of the devil.

Prayer: Father, I understand these dreams represent setback. I CANCEL THEM IN THE REALM OF THE SPIRIT, I SPEAK, DECREE, AND DECLARE THAT EVERY EVIL VERDICT THAT HAS BEEN LEVIED AGAINST MY LIFE BY ANCESTRAL CURSES, GENERATIONAL CURSES, BLOODLINE CURSES. I SPEAK TO THOSE FORCES AND COMMAND THEM TO BE PARALYZED IN THE REALM OF THE SPIRIT AND EVERY EVIL VOICE SPEAKING AGAINST MY DESTINY TO INFLUENCE THE PEOPLE WHO SUPPOSE TO PROMOTE ME OR PUT IN PLACE TO PROMOTE ME, EVERY EVIL VOICE SPEAKING TO THEM TO REJECT ME, TO PUT ME ASIDE, TO DISMISS ME, I SILENCE THOSE EVIL VOICES IN JESUS CHRIST.
