

## **The New Testament**

### **Book of 1 John**

Subtitles

(Poetic Format)

The Word of life begins the first book of John,  
the test of righteousness, Jesus Christ our advocate,  
the test of knowing Christ, love one another, the light upon,  
love not the world, the spirit of the antichrist, counterfeit.

Children of God, those who disobey, children of Satan,  
those who practice righteousness, children of God.  
Salvation and the test of love, tests the spirits, the human,  
the source of love, faith through the Son, the Son of God.

Life only in the Son, the certainties of faith,  
this is the poetic summary for the first book of John, unscathed.
