

## **The New Testament**

### **Book of 1 Peter**

Subtitles

(Poetic Format)

A future hope is a start for the first book of Peter.  
Present trials, an appeal for a holy life,  
desire the Word, Christ our sure foundation, the leader,  
Christian submission, Christ our great example, future afterlife.

The husband and the wife, Christian conduct,  
suffering for doing good, determine not to sin,  
the Christian and suffering, Christian life in God's care, reconstruct.  
Conclusion and benediction, to overcome with a grin.  
This is the poetic summary in the first book of Peter, a future within

---
