

## **The New Testament**

### **Book of 2 Peter**

Subtitles

(Poetic Format)

The growth of true knowledge begins in the second book of Peter,  
the basis of true knowledge, prophecy of scripture,  
false prophets and teachers, the destruction of false teachers, liars,  
the character of false teachers, the day of the Lord, the final chapter.

Events connected with that day, holy living until that day,  
this is the poetic summary in the second book of Peter, God's way.
