

The New Testament
Book of 2 Timothy
Subtitles
(Poetic Format)

Appeal for faithfulness is the start of the second book of Timothy,
Timothy charged to guard the gospel,
encouragement to determination and endurance, durability,
a workman approved unto God, the coming apostasy, awful.

The defence of the faith, charge to preach the Word,
Paul's confidence while facing death.
Greetings and benediction, shared,
this is the poetic summary of the book of Second Timothy, a breath.
