Book of Ecclesiastes
Subtitles
(Poetic Format)

Vanity of human wisdom begins the book of Ecclesiastes,
vanity of pleasure and wealth, the fool and the wise must die.
A time for everything, the vanity of all life, catastrophes,
travail of the wise and foolish, the vanity of vows, why?

The vanity of riches, choosing wisdom,
obedience to authority, to inherit God's kingdom.

Make the best of this life, the wise man and the fool,
the investment of a life, the span of a life, subject titles for school.

The whole duty of man, relation to God and His liberties,
This is the poetic summary for the book of Ecclesiastes.
