

The Old Testament

Book of Micah

Subtitles

(Poetic Format)

Samaria and Judah is the intro for the book of Micah,
wicked deeds of the rich, the remnant gathered.
Israel's sins denounced, the shame, a striker,
destruction of Jerusalem foretold, captured.

The coming of the law and peace, the Lord reigns at Zion,
the coming ruler and his reign, Idols and weapons destroyed,
God's complaint, the corruption of Israel, the evil, the lie,
the counsel in despair, trust in God's salvation, to enjoy.

God's pardon and love, the reflection of Him,
this is the poetic summary for the book of Micah, not a hymn.
