

**The New Testament
Book of Revelation**

Subtitles
(Poetic Format)

The source of the revelation is the intro for the book of Revelation,
the salutation, the voice and the vision,
the message to Ephesus, the message to Smyrna, the information,
the message to Pergamos, the message to Thyatira, the submission.

The message to Sardis, the message to Philadelphia,
the message to Laodicea, the heavenly worship,
the book and the Lamb, the future and new era,
six of the seals opened, led by a white horse, not an airship.

The red horse, the black horse,
the pale horse, the souls of the martyrs.
The signs in heaven, who can stand the force?
the sealing of God's servants, the tribes, the members.

The saints in white robes, the seventh seal: the prayers of the saints,
the seven trumpets, hail, fire, and blood,
the sea turned into blood, the pollution of waters, the star taints.
Sun, moon, and stars darkened, the plague of locusts, like a flood.

The four angels explained, John eats the book,
the two witnesses, the seventh trumpet.
The woman and the dragon, their appearance obvious, the look,
war in heaven, war on earth, head to head, the summit.

The beast from the sea, the beast from the earth,
the lamb on mount Zion, the angelic messages,
the seven plagues, the vials of God's wrath,
sores on men, sea becomes like blood, images.

Rivers and fountains become blood, fierce heat of the sun,
darkness, demonic spirits,
earthquake, the great harlot, the judgment to be done,
the great harlot explained, the desolation of Babylon, in minutes.

The call to come out of Babylon, the world laments over Babylon,
heaven rejoices over Babylon's fall, praise to God for His judgment.

Marriage supper of the Lamb, the coming of Christ, to set upon.

The defeat of the ungodly, the binding of Satan,

the 1,000-year reign of Christ, the release of Satan.

Satan punished forever, the great white throne judgment, roll taken,
the new heaven and the new earth, the new Jerusalem, awoken.

Its measurements, its light,

its blessings, the truth of revelation.

Distinction between the good and the evil, the right

invitation to salvation.

Come, Lord Jesus,

this is the poetic summary for the book of Revelation, to save us.
